

CODAN Job vacancy

We are looking for a successor for the following position

President & CEO

Your tasks

- Management of the affairs of CODAN US Corporation, which is an OEM/Private Label manufacturing company operating out of Santa Ana, California and Tijuana, Mexico, and with sales to OEM/Private Label and Component Parts customers primarily in North America
- Management of the affairs of CODAN Inc., which is a sales organisation selling CODAN Label products to the hospital markets, primarily in the United States and Canada, but also in Latin America, Australasia and the Pacific Rim
- Full responsibility for the financial results, the balance sheets and the income statements of the two companies based upon goals and targets set by the Shareholders and the Board of Directors:
 - Planning and development of annual activities and long term strategies
 - Having a workable organisation in place
 - Staffing with competent people that are committed to goals and targets
 - Leading and directing so that the various departments work well together to achieve goals
 - Putting in place control mechanisms to assure companies in alignment with goals and targets
- Reports to Shareholders and Board of Directors
- Working closely with the Shareholders and Board of Directors in all matters of projects, investments and annual activities

Our requirements

- MBA or equivalent graduate studies in Management or Business Administration
- Several years of management experience
- Experience in manufacturing products for specifically the Healthcare Industry is a benefit
- Extensive knowledge of production control, MRP, inventory and manufacturing methods
- Familiarity with sterilisation methods
- Familiarity with cGMP and experience with FDA audits
- Knowledge of ISO 13485 and ISO 14971
- Understanding financial statements and their interrelationship with production and sales
- Experience with sales and marketing
- Excellent interpersonal and communication skills

CODAN in the United States is a part of the European-based CODAN Companies, which for more than 60 years have been a market leader in the area of medical transfer systems to healthcare institutions around the world. CODAN is known specifically for the high quality of products and excellent record of on-time delivery. CODAN operates a manufacturing facility in Santa Ana, California, and a second manufacturing facility in Tijuana, Mexico.
